5 I served the parties in this paragraph by email at these addresses after determining that this  
6 service was the most certain, and therefore, the best method for providing actual service to these  
7 parties. I obtained these email addresses from the Debtor, which advised me that it uses these  
8 email addresses, rather than the physical addresses, to send correspondence reliably to these  
9 parties. I did not receive any type of auto-reply to my emails that would indicate that they had  
10 not been received.

11 7. I make the foregoing statements under the penalty of perjury.

12 DATED this 20th day of February, 2014, at Seattle, Washington.
